

We're very pleased to announce this new joint training course in partnership with AK Wildlife Cruises.

IDENTIFICATION OF WHALES, DOLPHINS & SEABIRDS WEEKEND TRAINING COURSE - £210pp

26th and 27th September 2026 in Falmouth, Cornwall

Join us for this special bespoke 2-day course on identifying whales, dolphins, and seabirds found around the UK and European seas and how to report your sightings for conservation.

Itinerary

Day-1: Saturday 26th - £80:

A full days identification course in class, led by MARINElife senior trainers. We'll show you how to identify what can be seen from land and at sea around the UK and European seas. Want to become a Citizen Scientist? We'll empower you with the skills to record and report your sightings for marine conservation. Booking link below.

Day-2: Sunday 27th - £130:

You will meet up with MARINElife's trainers in Falmouth's Premier Marina where we'll join Captain Keith on board his state-of-the-art boat, 'Spirit of Our Seas' for a 5-hour wildlife cruise looking for marine mammals and seabirds that may be found in the rich waters of Falmouth Bay. Booking details to follow on from Day 1 Booking.

There are only 10 places available, so early booking is recommended!
